

ARISE

CHILD SPONSORSHIP

About Arise

- Arise is a registered charity based in Zambia. Arise supports approximately 180 orphans, vulnerable children and their guardians in Kaniki and the surrounding areas.
- The support Arise gives is primarily focused on education. The youngest children in Arise are sponsored to attend Kapumpe Christian Primary School whilst older children are sponsored to attend local government and community schools.
- Arise volunteers also visit the homes of guardians, organise gatherings for the children each week and can support families with specific individual needs as they occur.

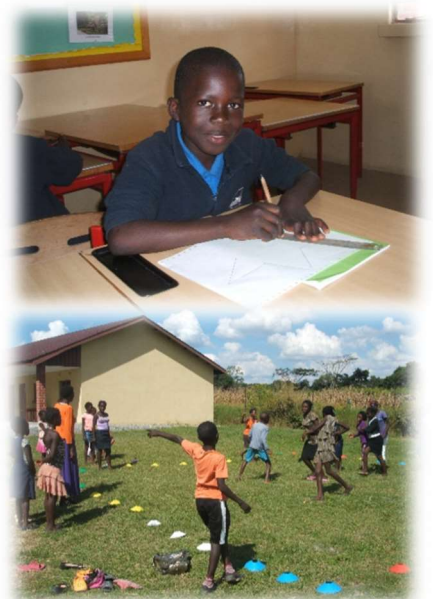

About Kapumpe Christian Primary School

- Kapumpe Christian Primary School opened in January 2014 with just a Grade 1 class and since then Grade 2, 3, 4, 5 and a pre-school class have been added. The plan is to become a full primary with Grade 6 & 7.
- Within just one year of schooling at Kapumpe, the children's standard of English is far better than many of the older children in the local community.
- The school teaches the Zambian curriculum using UK teaching methods. We base a strong emphasis on learning through play and developing independent thinking. The children are taught in Bemba and English.

About Arise Child Sponsorship

- It costs *£25 per month* to sponsor a child through Arise. This will enable an orphan or vulnerable child to attend Kapumpe Christian Primary School.
- This will cover school fees, uniform, books and stationery for your sponsor child. They will be provided with porridge at breakfast time and a snack during the school day.
- Your sponsor child will also be invited to attend our weekly kids' club and their family or guardian will be visited and supported by Arise volunteers.
- Each term you will receive an email newsletter to update you on Arise and Kapumpe. We will also send you a photograph and some information about your sponsor child.
