

Can you help us reach our **£10,000** GOAL?

# APPEAL 2025

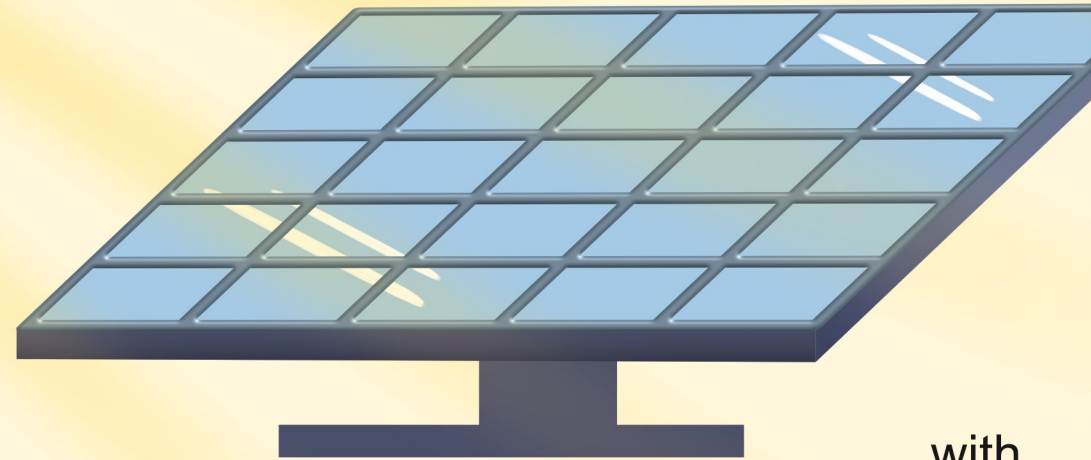

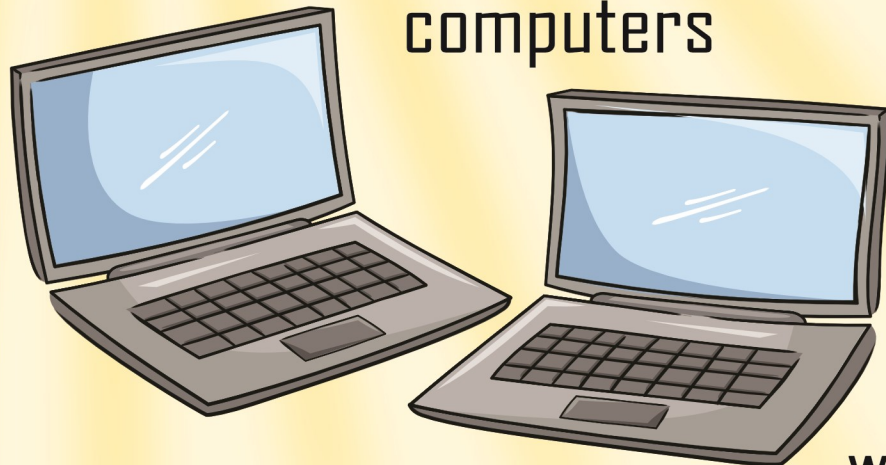

Our goal this year is to install a solar system providing a reliable & stable power source to support the education of children and their guardians

**ARISE KAPUMPE ORPHAN PROJECT**

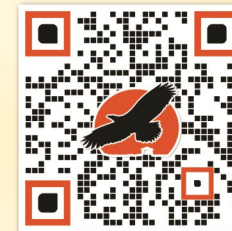

*"They will soar on wings like eagles" Isa 40:31*

We also plan to open an I.T. suite to teach students to use computers

for more information on how you can get involved please visit:
